# OVERVIEW

---

Winstead attorneys strive to offer timely information to help you build story ideas that drive newsworthy material. Our attorneys can provide insight on legal and business issues, developments, and trends across a wide range of industries and sectors.

Our media team understands tight deadlines and the need for timely responses to requests. Our media kit includes information on Winstead, the firm's leadership, areas of focus, recognition, logo specifications, and contact information for our media relations team.

Additional information, media releases, attorney biographies, experience, and industry and practice descriptions can be found on our website, [www.winstead.com](http://www.winstead.com).

# ABOUT US

---

Winstead is a leading Texas-based law firm serving clients across the country. We draw upon our experience and market understanding to provide practical, actionable solutions to their business and legal needs.

Our size and flat structure allow us to be more agile and service-focused while having the breadth and depth to provide thoughtful and meaningful insights when and where our clients need us. We work with public and private companies, governments, individuals, universities, and public institutions.

Winstead's business transactions and litigation lawyers serve key industries, including real estate, financial services, investment management and private funds, higher education, public-private partnerships, airlines, healthcare and life sciences, sports business, tax, and wealth management.
